Dear Sir:

Please amend the present application as indicated within this paper and in accordance with the remarks submitted herewith supporting this petition.

**Amendments to the Specification:**

Please add the following text as the first paragraph of the patent application:

This is a continuation of U.S. patent application number 10/281,199, which was filed on October 28, 2002.

**Remarks Supporting this Petition:**

In support of this petition, the Applicant respectfully states the following:

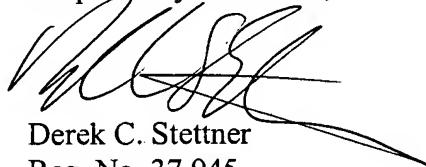

On October 28, 2002, a patent application entitled "CASEMENT WINDOW SYSTEM AND COMPONENTS AND HARDWARE THEREFOR" was filed by Royal Group Technologies Limited (hereinafter the "Royal Group patent application") and given Serial No. 10/281,199. The patent application names Madan Chandragiri Rangabasyam and Ronald Fredrick Edger as inventors.

On April 22, 2004, a patent application entitled "CASEMENT WINDOW SYSTEM AND COMPONENTS AND HARDWARE THEREFOR" was filed by Alpa Lumber (hereinafter the "Alpa Lumber patent application") and given Serial No. 10/829,645. The Alpa Lumber patent application names the following three people as inventors: Gabriel Petta, Madan Chandragiri Rangabasyam, and Ronald Fredrick Edge.

The Alpa Lumber patent application is supported by the Royal Group patent application, it is copending with it, and both applications have common inventors. Accordingly, the Alpa Lumber patent application is entitled to claim the benefit of the Royal Group patent application. A specific reference to the Royal Group patent application was unintentionally not presented in the Alpa Lumber patent application within the time limits required by 37 CFR 1.78. Accordingly, this petition is filed to have the unintentionally delayed priority claim accepted. The delay in filing this petition between the date the claim was due under 37 CFR 1.78 (a)(2)(ii) and the date hereof was unintentional.

Please amend the specification as indicated above and accord the present application the benefit of the October 28, 2002, filing date. Submitted herewith is the surcharge required in 37 CFR 1.17(t).

Respectfully submitted,

Derek C. Stettner
